

Initial Setup (First time only)

Step 1: Create a OneClickdigital account

1. In your browser, connect to our OneClickdigital home page:
<http://santaclaracityca.oneclickdigital.com/Home/Featured.aspx>
2. Click the **Create New Account** link at the top of the page
3. Enter required information
4. Make a note of the user name and password you created
5. Click the **Create New Account** button when finished

Step 2: Install and set up your OneClickdigital app

1. Open the Amazon App store
2. Download the “**OneClickdigital audio**” app
3. Follow the download instructions
4. Open the app, select your region, and tap **Done**
5. Then enter your user name (called User Profile) and password
6. Tap the **Login** button

Find, Browse and Download OneClickdigital eAudio

1. Open the **OneClickdigital** app
2. Enter your user name (user profile) and password
3. Tap the **Login** button
4. Search for audiobooks by tapping the search icon, then **Library Site**
5. Once you find a title you want, tap on **Checkout Now** button
6. Click **Checkout Now!**
7. Then tap **My Titles** at the top left hand side of screen
8. Next, click the Download button (a down arrow) just under the title cover.
9. To listen, click the play arrow, and the audiobook will start.

Return a Title Early

1. Open the **OneClickdigital** app
2. Login with your **user name** and **password**
3. My Titles page should open
4. Tap the **i** to the lower right of the title (Information page)
5. Under the title, tap the **Return** icon, then **Yes**.

Renew a Title

1. When on **My Titles** page, tap the **i** to the right of the title (Information page)
2. Tap the **Renew** icon under the title cover.
